## Syllabus

---

### Course Syllabus

#### Introduction

Managers, superintendents, supervisors and officers in the functions of Human Resources and/or training and development. The program is also very useful for line managers whose organization is currently, or about to start, using competencies as a framework for recruiting, selecting and training employees.

#### Objectives

- Define competencies, their history and the important role they play in Human Resources and the organization.
- Analyze the main components of a competency and the differences between each.

- Utilize competencies and behavioral indicators in performance appraisal systems.
