Introduction

This highly interactive 10-day programme is designed to help participants review and develop the inter-related skills of communication, planning, negotiation and presentation so that they can enhance not only their own effectiveness but also that of their immediate colleagues and teams.

Drawing on classical learning, psycho-linguistic research and ideas associated with NLP and Emotional Intelligence during Week 2, this practical programme helps participants explore and practice the principles and techniques they need to be effective communicators, negotiators and presenters.

Objectives

- Review and develop communication, interpersonal and planning skills and the appreciation of the principles involved

- Build rapport and interpersonal relationships and develop their influencing skills
- Resolve conflicts and differences through effective, creative and mutually satisfactory negotiation leading where possible to win-win solutions
- Maximise deal benefits in commercial negotiations
- Make formal presentations to small and large groups with clarity and persuasiveness
- Handle audience questions effectively and with integrity
- Get support for new ideas and change initiatives
