Syllabus

Course Syllabus

Introduction:

This course combines specialized classes in International Business English communication skills and concepts with general English language skills.

This course is designed to give participants the English skills they need to work effectively in today's global marketplace.

English skills and vocabulary are developed through exercises, case studies, role plays and research on business topics including: I.T., finance, accounting, marketing, advertising, sales, negotiation, business practices, and cultural comparisons in business operations and appropriate grammar

Objectives:

- to handle themselves in English in a variety of business contexts, from negotiating, to doing the telephone, to making presentations, to socialising
