### Course Syllabus

#### Introduction

This course will expose delegates on the concept that innovation and outstanding leadership go hand in hand. Delegates will learn that new ideas can inspire new products, services and systems which can provide a distinct competitive advantage over competitors, and smart leadership brings those ideas to life.

Outstanding leadership does not occur by accident. Great leaders are smart leaders. They understand it is imperative to continuously develop and build upon many key skills. They know that it begins with their thinking and commitment to learning and secondly to foster the creative impulse throughout the organization.

**This course will feature:**

- Leading with creativity and innovation
- Leadership communication

## **objectives**

### **By the end of this course, participants will be able to:**

- Identify the fundamental principles of leadership
