### Course Syllabus

#### Introduction

This course helps those people who are organizing and planning an event . The impact of a successful event on a company can be profound. The impact of a poorly organized event so negative that it pulls resources sway from real work in dealing with the aftermath. No matter what, this course will fully support your objective of helping to deliver an effective event.

How do you ensure that your event is a great success and that you have achieved everything required? How do you ensure that it is within budget? These and many more questions will be answered on this exciting and stimulating course.

#### This course will feature:

- How to run an effective event based on sound principles of event management
- How to identify and deal with issues before they happen and deal with the unexpected
- Ensuring you have a smooth approach to the planning and running of events

## Objectives

- Use a standardized events planning and management process
- Deal with the pitfalls and ways to overcome them in planning your events
- Deal with the financial and legal implications of holding events wherever they are held
- Use social media and extensive communication networks to communicate to your audience
- Apply a consistent approach to developing events

## Content

### Day One
