Course Syllabus

Introduction

Who should attend:

Individuals who desire to reinforce their skills, knowledge, and capacity to understand the Certified Manager of Quality/ Organizational Excellence Body of Knowledge in preparation for taking the ASQ Certified Manager of Quality/Organizational Excellence Examination.

Objectives

- Review the Body of Knowledge in preparation for the ASQ Certified Manager of Quality/Organizational Excellence examination.

• **Practice Sample Tests.**

- This course is designed and developed by ASQ's Quality Management Division. The course is presented in a way that reinforces current knowledge, re-introduces applications that may not be used every day, explains the rationale for use,
- and highlights sample questions, both multiple choice and constructed response.

NOTE 1: This course has pre-course reading assignments along with a practice test.

Evening homework is also assigned during the course.

NOTE 2: The Certified Manager of Quality/Organizational Excellence book (By R. Westcott) will be used as the main handbook for training and will be provided to participants on the first day.
