Introduction

Office Management and Effective Administration Skills is an exciting and interactive programme. It is designed to provide office administrators, supervisors of clerical and administrative staff, executive secretaries and personal assistants the opportunity to review and develop the interpersonal and professional skills they need to do their jobs effectively – thereby contributing to their own, their boss' and their organisation's success. In this programme participants learn how to:

- Manage a network of working relations
- Communicate effectively
- Manage time for yourself and others
- Manage the performance of admin staff
- Improve written communications

- Extend their understanding of their roles and the key contribution they make to organisational success
- Review their working relationships
- Review and develop their personal organisation, communication and interpersonal skills
- Develop an action plan to help themselves, their boss and other colleagues work in more effective and efficient ways
- Take the lead in any situation and effectively initiate change.
- Showcase work and achievements instead of working in the shadows.
- Implement best practices in reporting work and achievements as an office manager
